Open Your Heart believes that all Minnesotans should be free from hunger and homelessness.

Give where the need is greatest

IN 2017, OPEN YOUR HEART SUPPORTED...

Hunger and Homelessness

- $466,778 provided to fight hunger & homelessness in Minnesota

Charities served in 2017

- 155 Food Shelves. Open Your Heart’s Summer Challenge made it possible for Minnesota food shelves to restock and distribute fresh and frozen foods at a time when food shelf donations are traditionally low.

- 51 Charities for Hunger and Homelessness/Domestic Violence. For homeless shelters and supportive living centers across the state, Open Your Heart provided access to beds, linens, kitchen equipment, remodeled bathrooms and showers, installed security systems, repaired roofs, and dozens of other projects. We improved facilities and ensured safe and dignified environments for families, youth, and adults who are homeless.

- 22 Charities and Schools for Education. Our unique Education Fund helped children and youth who are homeless get their GEDs, purchase school supplies and winter clothing, pay for activity fees, and much more so that they could participate fully in school and have the same necessities as other students.

- 8% of revenue spent on administration & fundraising

Transportation

- Greater Minnesota Communities. The lack of affordable and reliable transit options ranks as a top barrier for the homeless and those at risk of becoming homeless to achieving self-sufficiency, especially within Greater Minnesota. Without reliable transportation, the homeless cannot access the kinds of employment, services, and social connections necessary to enhance self-reliance. In response, Open Your Heart developed a demonstration project to determine if a RideShare model can assist homeless populations in accessing the kinds of care and support necessary to improve their lives.
